# Why is SCM so important?

Global Supply Chain Flows

Survival of Humankind

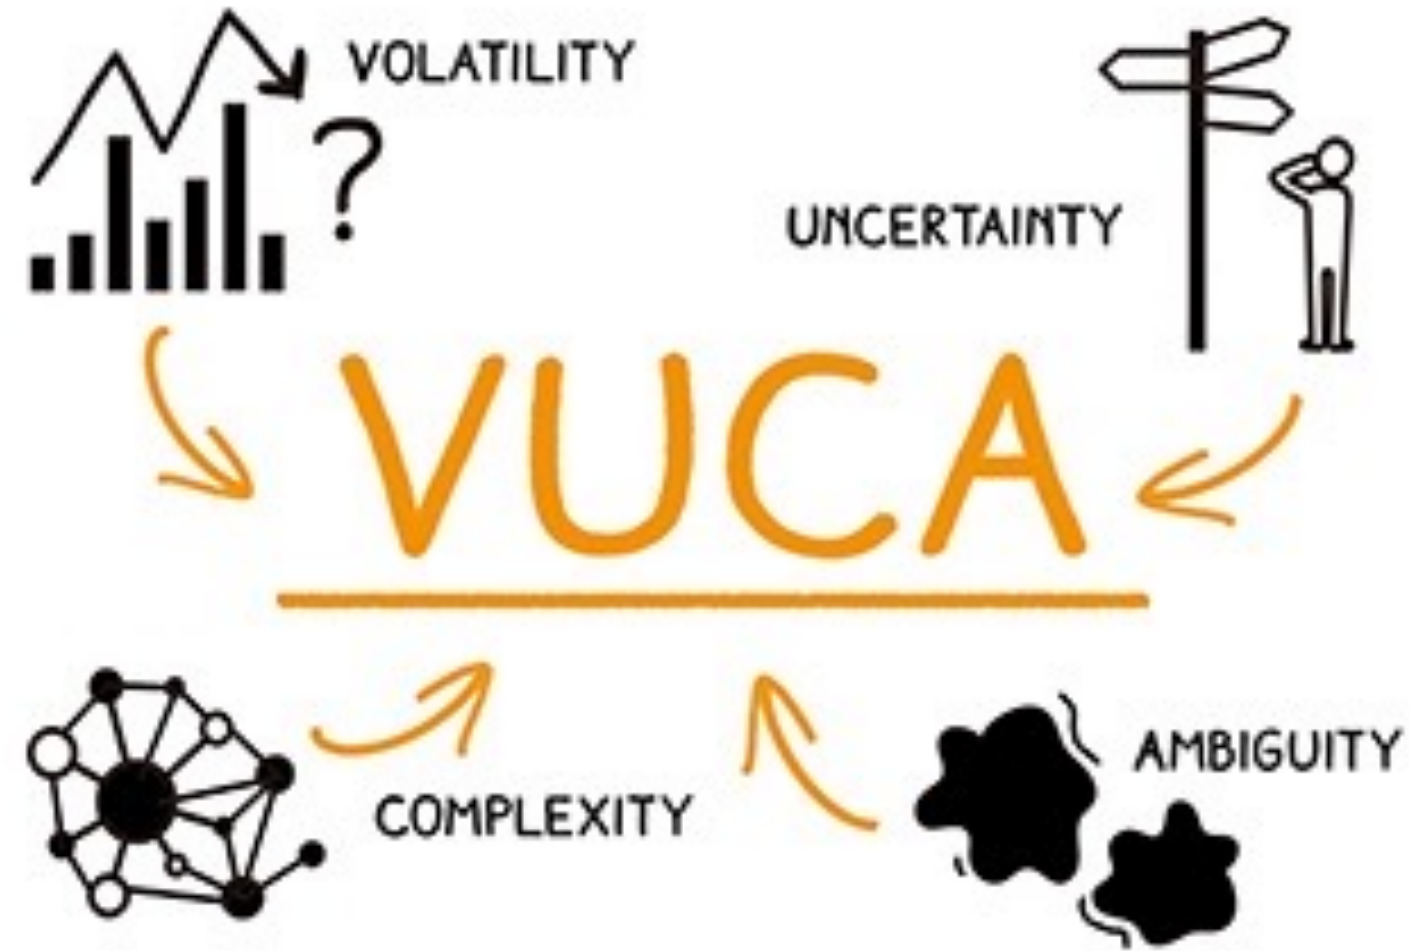

## (My) Top 3 skills to become a SCM Trailblazer

The skills required for 21st-century students are diverse and reflect the changing demands of the workforce, society, and the way we interact with technology.

# [1] AGILITY in a VUCA world

In SCM, VUCA has specific implications for how organizations manage their sourcing, production, and distribution networks:

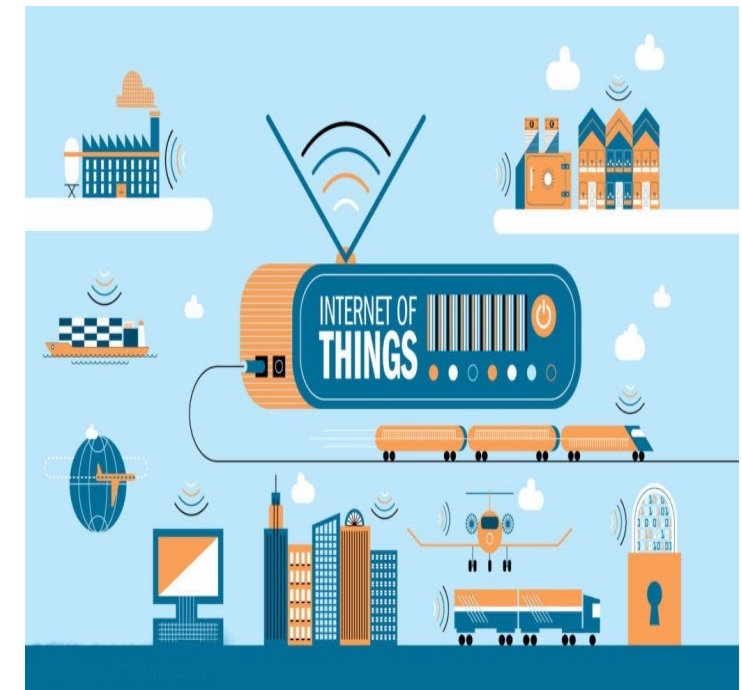

## [2] DIGITALISATION (IoT) / (eCommerce)

Digitalization in SCM refers to the use of digital technologies to change a business model and provide new revenue and value-producing opportunities:

- it is the process of **transforming** to a digital SCM business.
- it involves the **integration** of digital tools and technologies across all aspects of the supply chain process,

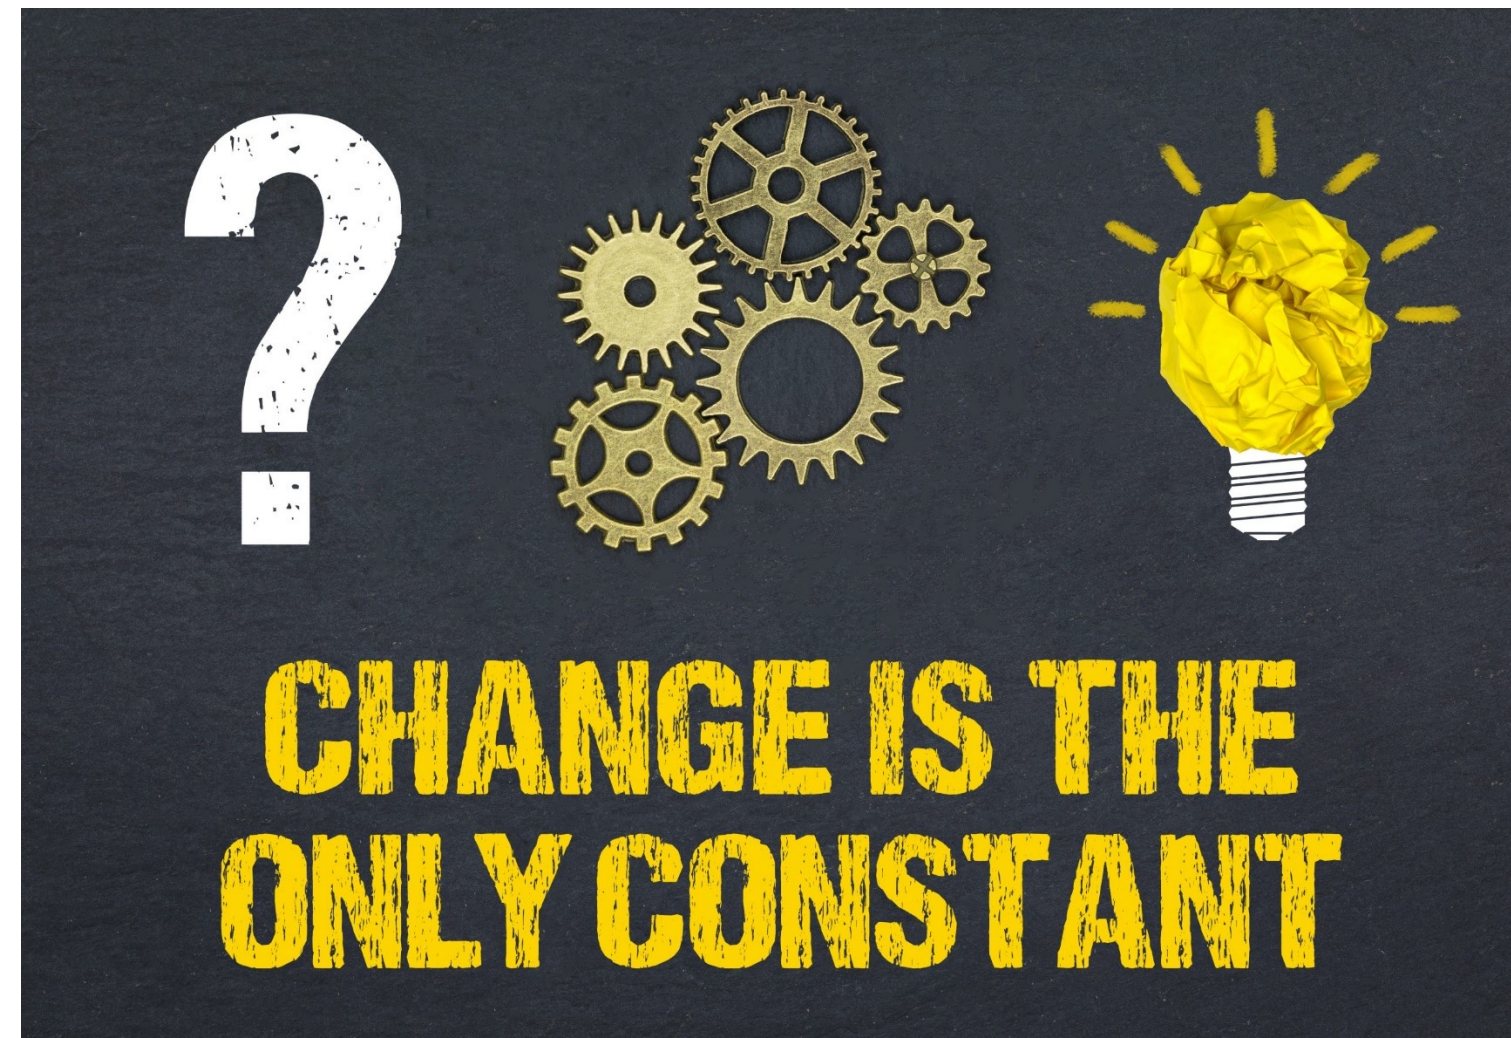

## [3] PEOPLE Skills

*What are (some) skills identified by Employers as being important for success in the 21st century?*

## Some closing remarks...

Let's all be SCM Trailblazers...

Thank You
